Re: FOIA / Public Information Act Request

Dear Mr. Casillas-Prieto:

We are in receipt of your records request, dated July 22, 2018, which is a follow-up to your request from October of 2017.

As before, I urge you to direct your request to the U.S. Marshals Service FOIA Office. However, as you indicated that you have done so, and not received a response from the Marshals Service, I inquired with Fannin County regarding your requested legal visitation records. I was told that the County's records database does not contain any responsive records from the time period you requested (October 6, 2010 through August 20, 2012).

Thank you.

Sincerely,
